&
Rajiv Gandhi University of Health Sciences

12th & 13th December, 2020

Venue : E-Library & Decennial Hall, Father Muller Medical College, Mangalore

www.apidk.org

ASSOCIATION OF PHYSICIANS OF INDIA DK CHAPTER

API DK Chapter was established in the year 1990 by founder President DR B H Krishnamurthy Rao and was inaugurated by Dr. B V Raj Gopal, president API Karnataka Chapter. It initially had strength of 40 members. Now we have more than 170 members consisting of Physicians, Pulmonologists, Oncologists, Endocrinologists, Neurologists, Nephrologists and various Specialists from entire Dakshina Kannada. The association is proud of conducting periodic meetings, seminars, symposiums, state level conferences since its inception. We are organizing E CON API DK 2020 on December 12th and 13th (virtual conference) and expect it to serve as a platform to share clinical experience and research in the field of Internal Medicine for all physicians and Postgraduates.

FATHER MULLER CHARITABLE INSTITUTION

From its humble beginning in 1880, through decades of expansion, FMCI stands today as a 1500 bedded multi-speciality tertiary health care centre in Mangalore. Successive generations of health care professionals have inherited Father Augustus Muller's rich legacy of combining professional skills with compassion to serve the suffering humanity. The Father Muller family has carried forward the vision of its founder 'To heal & comfort'.

MESSAGES

DIRECTOR, FATHER MULLER CHARITABLE INSTITUTIONS

Education is the process of facilitating learning and is an ongoing process. There is no one who can say that they have finished learning. The fruitfulness of learning broadens the horizon and makes the learner more evolved. In these testing and trying times of COVID-19 learning too has not stopped and the facility has moved on to the virtual realm. The world has come together through the online continuing education, online conferences, online webinars, thus using this medium to broaden the horizon of many. The one who seeks knowledge is truly human. Thus this e-conference hosted by the API-DK chapter seeks to embolden the young budding physicians with shared knowledge through its scientific sessions, paper and poster presentations. Gain the knowledge of this era and times to update yourself in the latest modalities of treatment. Brace yourself for the upcoming medical technologies with an intent to learn. It's a real world in a virtual connect. Be the light for the weak and the beacon of hope. Learn from the best and present your best.

Doctors should treat patients with a human touch. The consultant should speak to the patient and listen to the patient. When doctor treats his patient with dignity and respect, patient feels secure and experiences transformation. Let this be your pledge. As we move on from real world to virtual world, wishing loads of God's choicest blessings on the organisers and participants.

Aim higher in medical care knowledge, for the masses who await your healing touch!

Rev. Fr Richard Coelho

Director

Father Muller Charitable Institutions

MESSAGES

ORGANISING CHAIRMAN E-CON API DK-2020 & PRESIDENT API-DK CHAPTER

Greeting to all of you from the API DK Chapter and Department of Medicine Father Muller Medical College Mangalore . It is my Proud privilege to welcome you to E CON API D K – 2020, an E – Conference for the Postgraduates and Physicians hosted by API DK Chapter, in association with Department of Medicine, FMMC and Rajiv Gandhi University of Health Sciences Bangalore.

Our Scientific committee has charted out various topics covering broad range of specialities and has provided facilities for interactive discussion. Due to the ongoing COVID pandemic and its restrictions it is an opportunity for Post Graduates to exhibit research activities through E Posters and E free paper presentations which are in partial fulfillment of the requirement for NMC (Previous MCI).

I am sure that this E conference will help us in reaching higher level of clinical and professional excellence.

We are looking forward to meet you on 12th and 13th December 2020 through digital platform.

Warm regards

Dr. Venkatesha B.M

Organizing Chairman

E CON API DK 2020

President API DK Chapter

MESSAGES

ORGANISING SECRETARY E-CON API DK-2020 & SECRETARY API-DK CHAPTER

Dear Delegates,

Warm greetings

On behalf of the Association of Physicians of India, DK Chapter and the organizing committee, I would like to cordially welcome you to the E CON API DK Chapter 2020 conference on December 12th and 13th 2020.

We are organizing VIRTUAL E-conference which will serve as a platform for Postgraduates to present their E poster/ e paper and also will focus on academic sessions for practicing physicians and academicians.

We urge you to register in large numbers for this conference and make it a big success. We will be posting in www.apidk.org website from time to time the updates, programmes and other details.

With warm regards

Dr. Archana Bhat

Organizing Secretary

E CON API DK 2020

Secretary, API DK Chapter

MESSAGES

SCIENTIFIC COMMITTEE CHAIRMAN

Dear Friends and colleagues!

This conference will have something for everyone- be it academicians, practicing physicians or medical postgraduates. The presence of renowned national faculty will be the highlight of the scientific sessions providing the opportunity to get insight in field of medicine.

We humbly request you to extend this invitation to all your friends and colleagues from the fraternity to make E – CON API DK 2020 a big success.

Thank You

Yours sincerely

Dr R Arunachalam
