

Report on Health Camp held on 13th August, 2026

Association of Physicians of India - Dakshina Kannada Chapter in association with The Department of General Medicine, Father Muller Medical College, Mangaluru, conducted a Health Education and Health screening camp for the housekeeping staff and nursing aids of Father Muller Medical College Hospital **on 13th August, 2026**. The camp was conducted to commemorate the Golden Jubilee Year of Association of Physicians of India-Karnataka Chapter.

The program began with welcome address by Dr Roshan M, President, API-DK. This was followed by lighting of the lamp. Dr B M Venkatesh, Vice Dean of Father Muller medical college spoke about the importance of Health screening in his message to the audience. Dr Smitha Bhat, head of department of General Medicine advised the audience to make the best use of the camp and lauded the efforts of API-DK chapter in taking this initiative.

Vote of thanks was delivered by Dr Supriya PS, Secretary, API-DK. Dr Tushar GK treasurer, API-DK was the Master of Ceremony. This was followed by a health education talk by Dr Renier Borges, Assistant Professor from the Department of Medicine, Father Muller Medical College. He spoke about diseases caused due to atherosclerosis and ways to prevent the same. He also spoke about vector borne diseases and their prevention. He stressed on the importance of regular screening programs for non-communicable disease prevention.

This was followed by the health camp. Around 150 staff members got their random blood sugars and blood pressure readings checked. Those who needed any intervention were referred to the General Medicine OPD for further management. This was followed by high tea for all.
